

A THOUSAND RED DRAGON FLIES

Thousands upon
thousands of
red dragonflies
dancing through
the crimson
sky...

Red Dragonflies...
Red Dragonflies...
Flying through
the sunset skies...

The
end of
the
day...

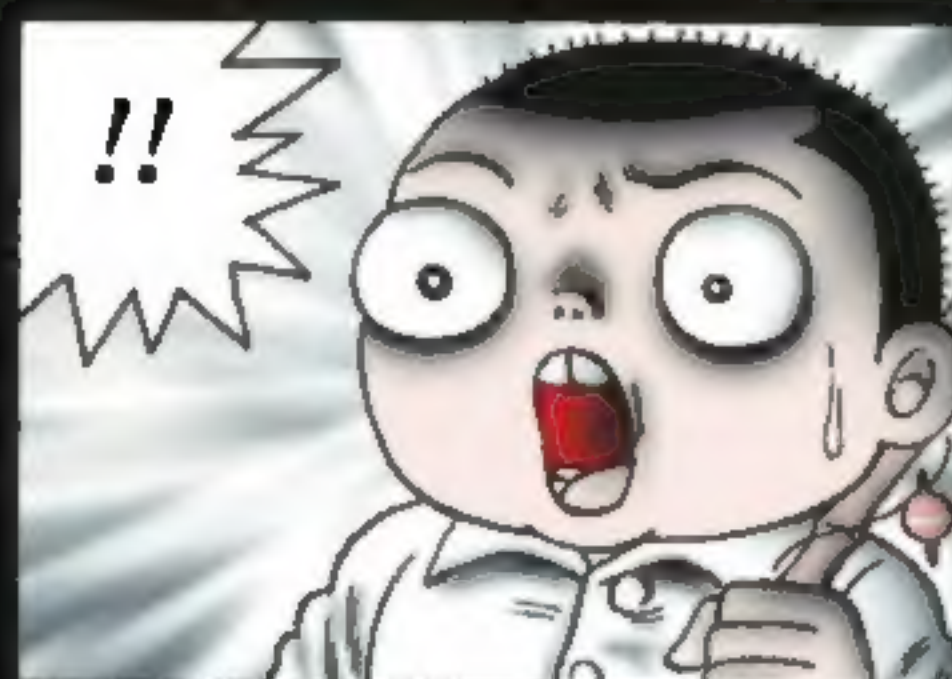

The
sunset
is...

Hurry and
fly back to
your friends!

Wow! I
wonder just
how far they
can soar into
the sky...?

!!

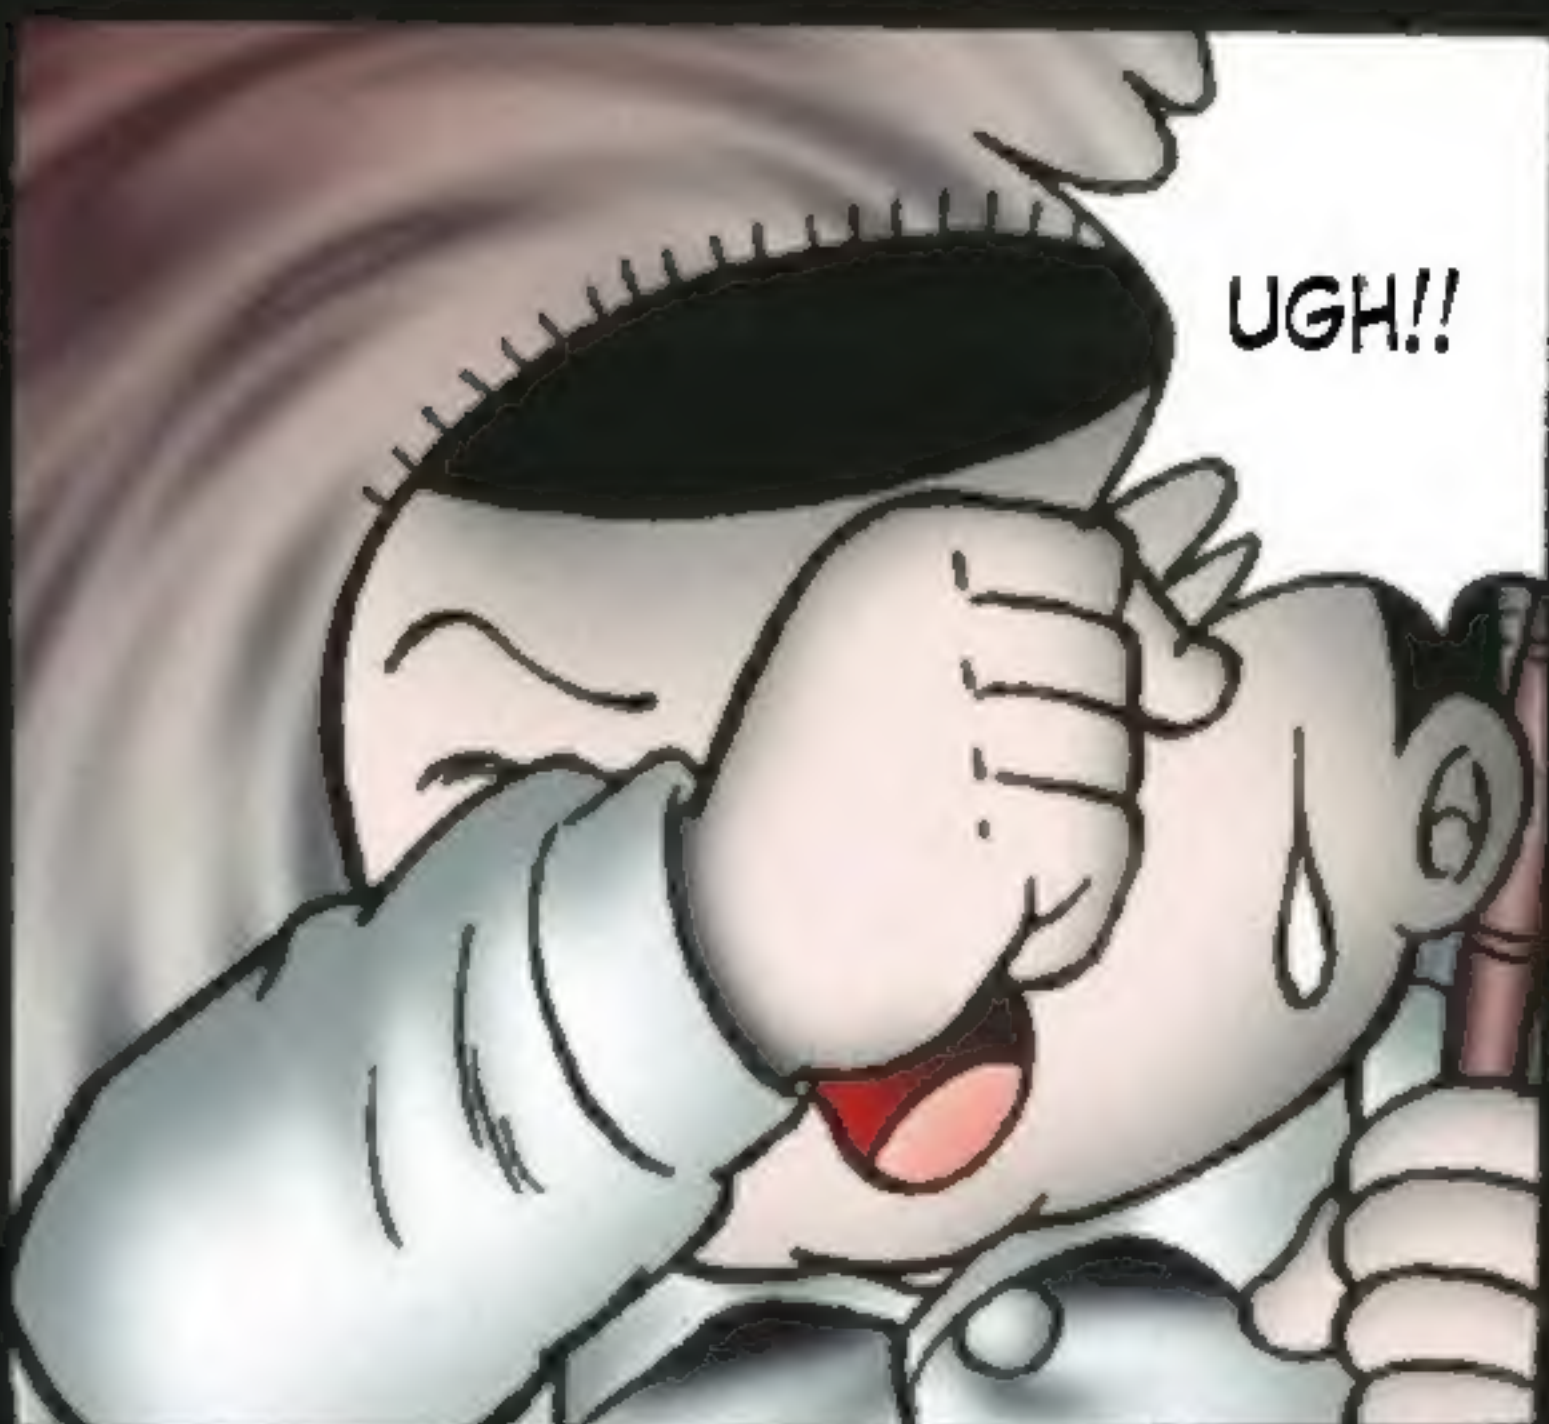

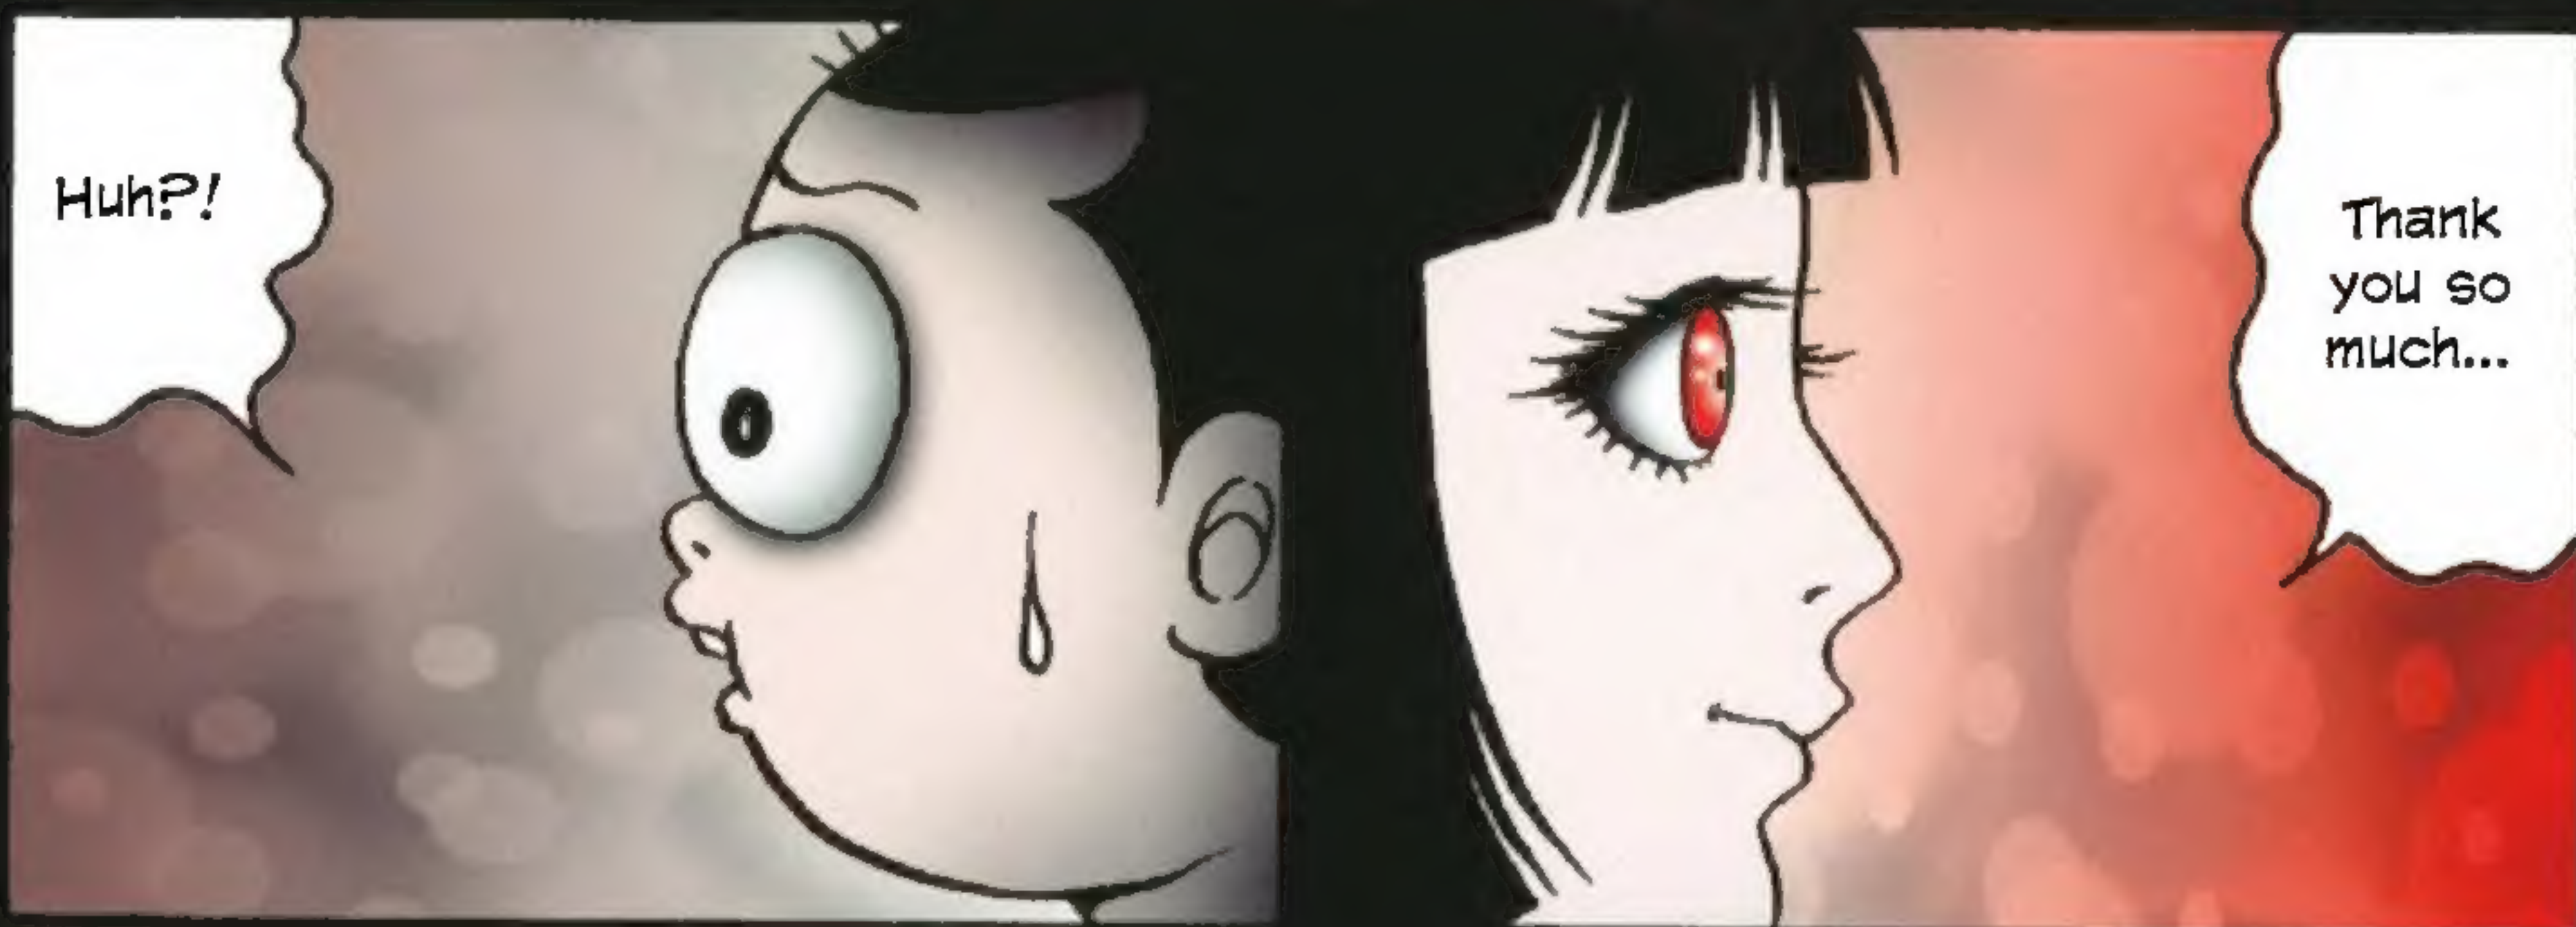

Huh?!

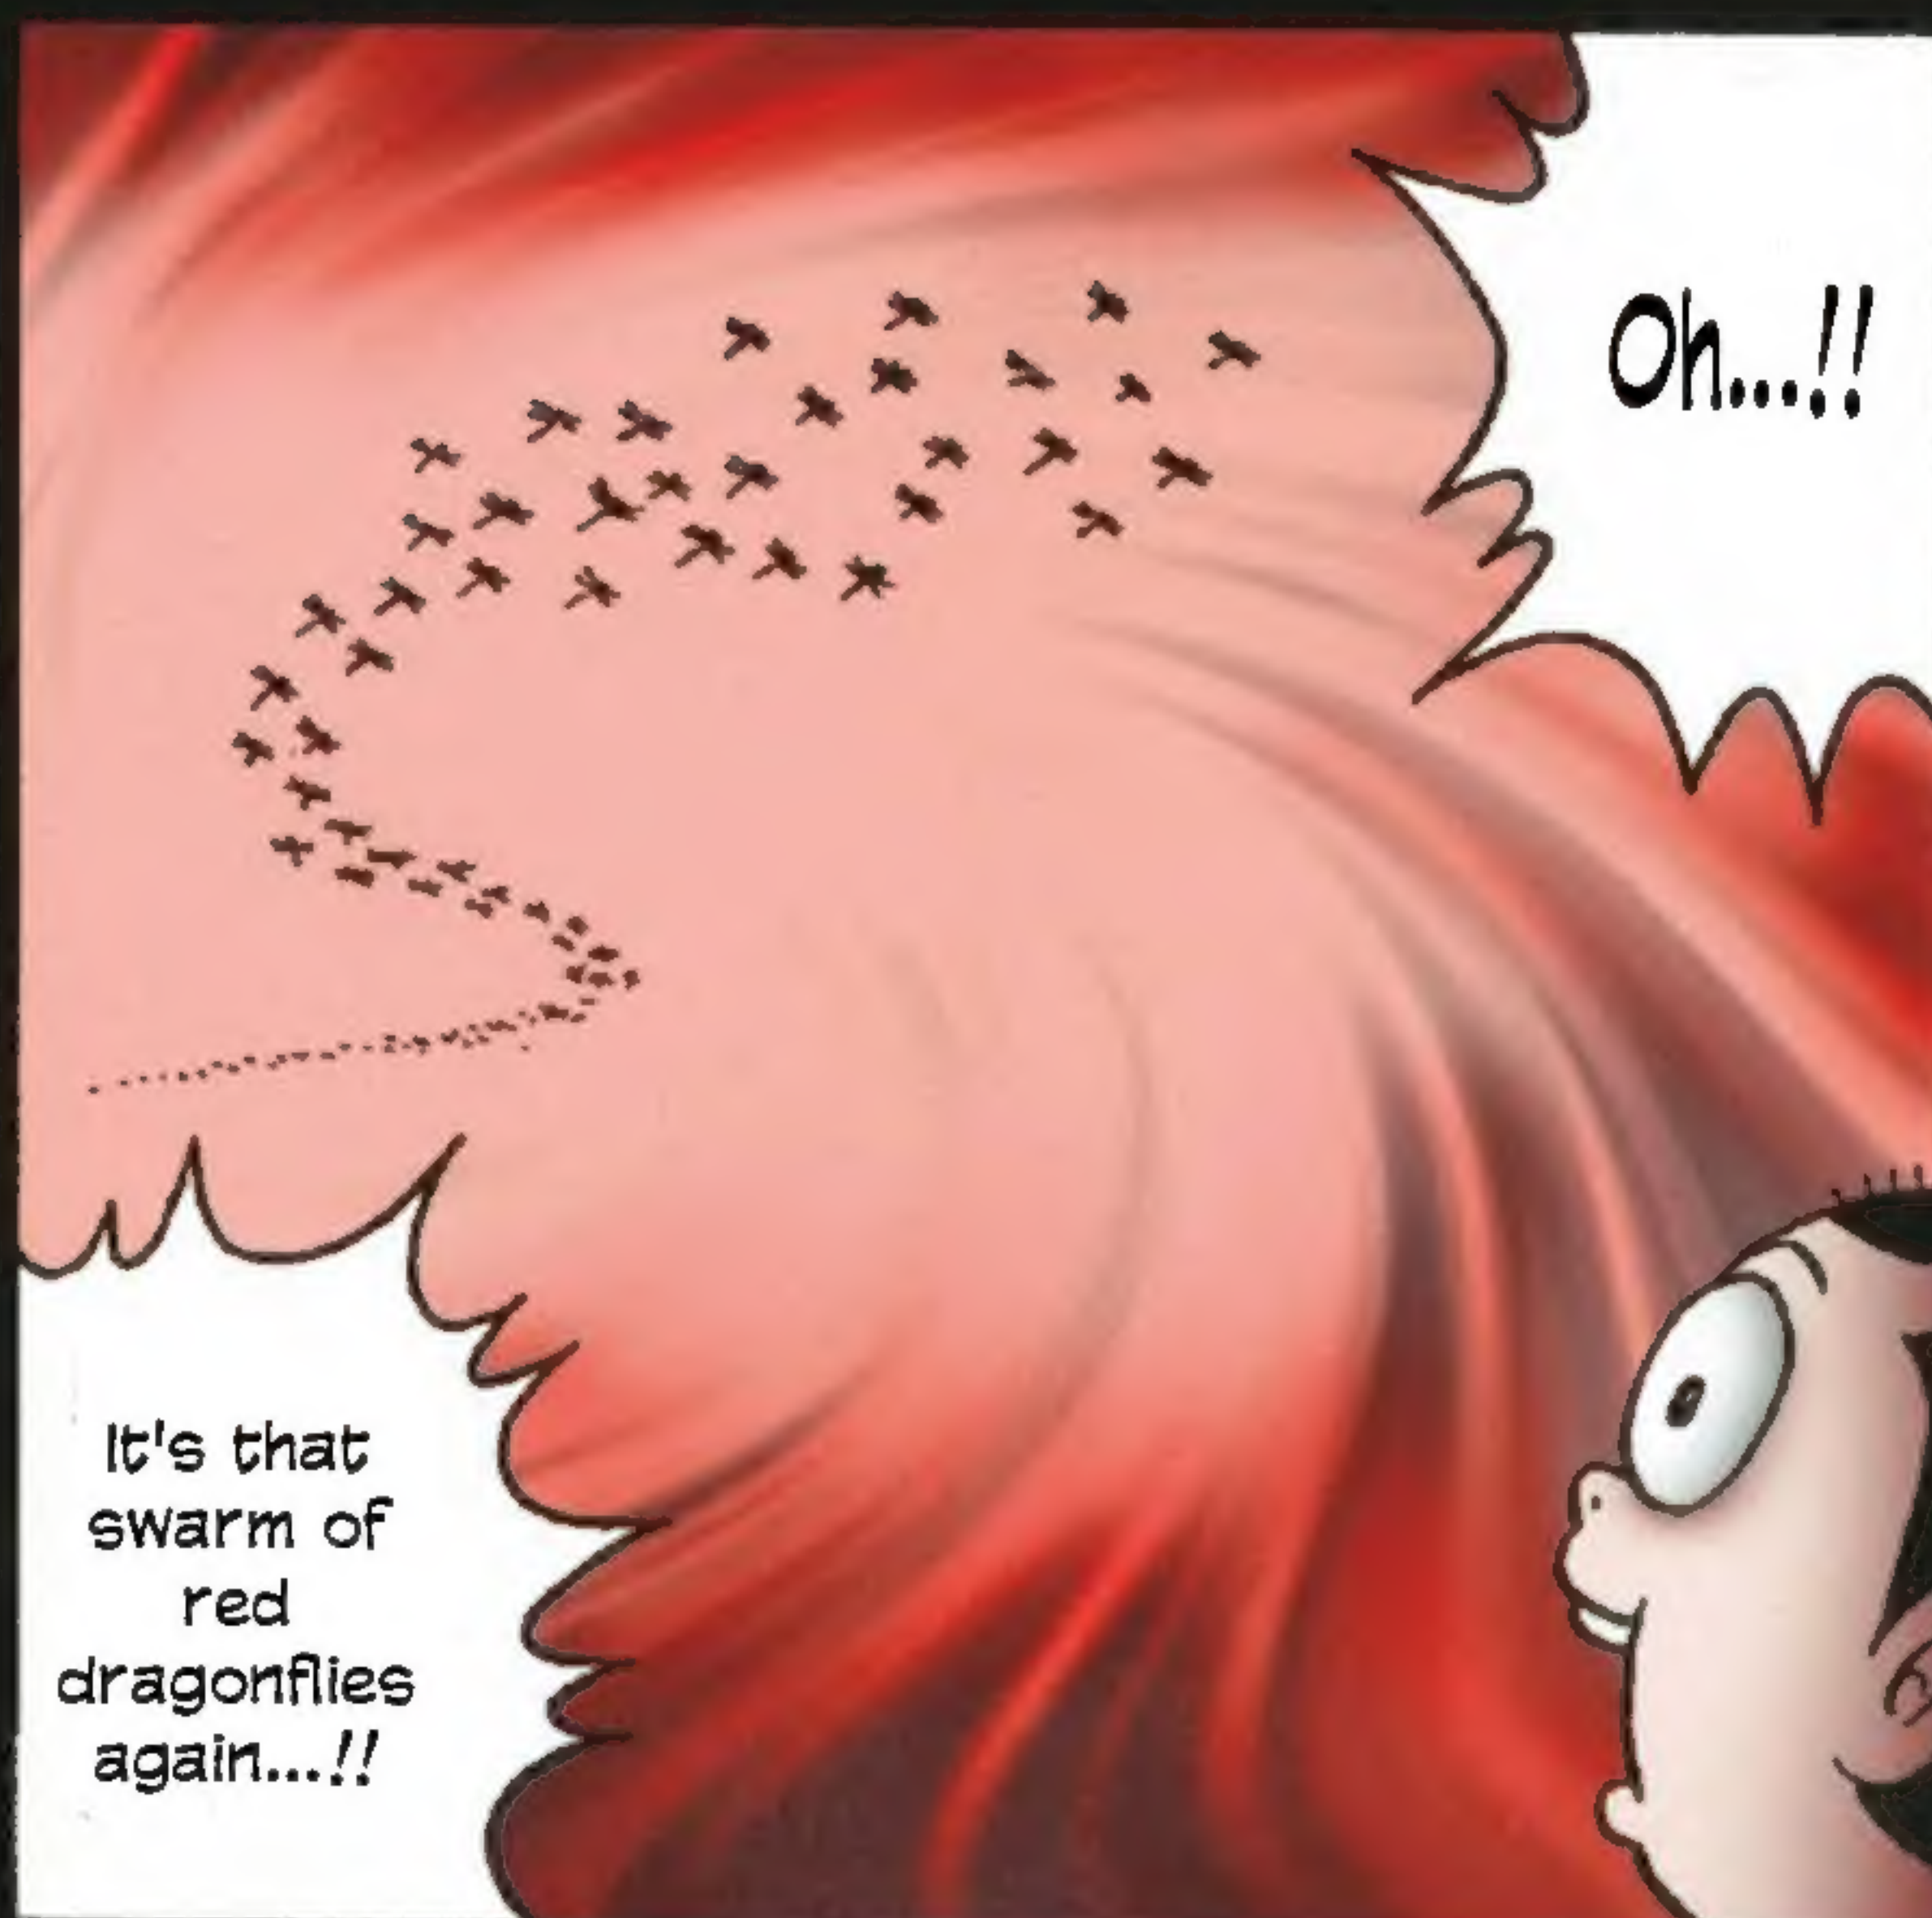

Excuse
me...

Oh no!
How
sad...

* he is singing Yuyake Koyake.
The after school song

How many
years since
that day
have slipped
by...?

Though the sunset
still glows with
crimson hues...the
red dragonflies and
the girls in their
red kimono's have
long since vanished...

...

Long, long ago, a
thousand upon
thousands of red
dragonflies danced
across the sunset
skies...
